Congratulations Gustavo Anjos!

The draft you have submitted to InterPACKICNMM2015 has been accepted. The final version will be eligible for publication in the conference proceedings, provided all required materials and forms are submitted by the stated deadline.

Your paper information is as follows:

Paper Number: InterPACKICNMM2015-48441

Paper Title: ALE-FEM for Two-Phase Flows with Heat and Mass Transfer in Microchannels

Please incorporate the reviewer comments and my comments into your final version. The detailed comments of the reviewers are available at the <http://www.asmeconferences.org/InterPACKICNMM2015> web site. Please log in as Returning Author to see these comments.

--- My Comments ---

Please revise and submit the final paper

--- End Comments ---

When you have completed your final version, please login to your InterPACKICNMM2015 author account and submit it online. You will receive on-screen confirmation of your submission, as well as an e-mail confirmation.

Congratulations again and thank you for your interest and participation in InterPACKICNMM2015.
